Winners of the Herding Titled and Veterans classes will advance to compete in Best of Breed provided they have not been defeated in any other single entry class.

Herding Titled - This class is to honor those dogs and bitches who have distinguished themselves in the job for which they were bred. Dogs & bitches are eligible to compete if they have one or more AKC herding titles. Herding Instinct Certificates do not meet the eligibility requirements of this class. Entries must be intact (no spayed or neutered allowed). They may or may not have a Championship.

Best of Breed

Select Dog & Select Bitch

Awards of Merit (National Specialty Only)

Awards of Merit (National Specialty Only)

ABMC Awards of Merit may be awarded, at the judge's discretion, to a small number of dogs / bitches eligible for Best of Breed. These awards are reserved for those outstanding entries that the judge feels worthy of final consideration for Best of Breed.

Points Available for Reserve (National Specialty Only)

At the Friday, May 12, 2017, American Belgian Malinois Club National Specialty, the dog designated Reserve Winners Dog and the bitch designated Reserve Winners Bitch will be awarded a three-point major, provided that the number of dogs competing in the regular classes of the Reserve Winners' sex totals at least twice the number required for a five-point major in the region in which the event is held.

Non-Regular Classes Involving Multiple Dog Entries (NATIONAL SPECIALTY ONLY)

As a judge's decision in the Non-Regular Multiple Dog Entry Classes are based on the merits of more than one dog or bitch, no one of the dogs or bitches making up the entry judged first in the class will be eligible for Best of Breed by virtue of having won these classes

- **Stud Dog Class:** For Stud Dogs and at least two, and not more than, four of their Get. Stud Dogs **MUST** be entered in the Stud Dog Class and shown in the ring with their Get. Owner of the Stud Dog need not necessarily be owner of the Get. Award will be based on the merits of the Get. While the merits of the Stud Dog are not to be considered in the placement of the entry, the Stud Dog must be examined to determine if it has a condition that would require its disqualification or excusal under Dog Show Rules, AKC policy or the standard of the breed. Get must be individually entered in one of the breed classes in this show for which it is eligible. *The Stud Dog may be neutered.*
- **Brood Bitch Class:** Same as Stud Dog, except substitute Brood Bitch for Stud Dog and Produce for Get. *The Brood Bitch may be spayed.*
- **Brace Class:** Each Brace shall be comprised of two dogs of either sex with at least one common owner and presented by a maximum of two handlers. The dogs comprising a Brace **MUST** be named at the time of entry. Dogs entered in Brace Class do not have to be entered in any other class, but full particulars must be given for each dog on individual regular entry forms. If more than one Brace is entered by the same owner, the dogs comprising each Brace must be so designated "Brace 1", "Brace 2", etc.
- **Generations:** For three dogs, regardless of sex, of three successive generations (grandparent, parent, offspring). Entry is made for each dog (three separate entry forms) and there can be no substitution of dogs. One additional entry fee is required for the unit of three dogs. At least one of the three dogs in the unit must be entered in a regular conformation class. Individual dogs may be entered in only ONE Generations Class unit. Each dog must have a separate handler.

Teams (Obedience & Rally): The team class will be for teams of any four (4) dogs. Five dogs may be entered, one to be considered an alternate for which no entry fee will be required. However, the same four dogs will perform all exercises. No dog may be entered on more than one team (obedience and rally are separate events; dogs may be entered in both Obedience Team and Rally Team.)

A separate entry form must be completed for each dog entered. Each entry form MUST designate the other entries that make up the team. There is only ONE entry fee per "unit."

Bitches in Season: If a bitch entered in the obedience or rally classes comes in season after the Trial's closing date, the entry will be fully refunded.

Transfers (formerly called move-ups): After a dog earns a title, it may be transferred to another class in a future trial, even though the closing date for the trial has passed. A transfer (i.e., from an obedience class to an obedience class or a rally class to a rally class) may be requested if, according to the owner's records the handler and dog are eligible and the dog has completed the requirements for the title after the closing date of the trial in which the advanced entry is to be made. The request for a transfer must be in writing and presented to the trial secretary at least 30 minutes prior to the start of each trial. Transfers may be approved provided the class and judge are available, and the class has not reached its limit. Movement between an "A" and "B" class at the same level is not considered a transfer – refer to Chapter 1, Section 16b.
